

Your Wedding & Reception with

Ennis Photography

Ennis Photography offers a fresh and engaging style of wedding photojournalism and specializes in friendly, personal, humorous and elegant photographs that collect the warmth and personality of your wedding as a beautiful narrative. Light, shadow, detail, emotion...magic! There are things you can't plan for, moments that will happen because each wedding is unique. Fine wedding photography isn't just about what happened. It's about capturing what you feel like in the arms of your beloved, what it's like to be surrounded by 100 friends who love you, and the details that make your wedding different from every wedding that has come before it.

And yet, our work is structured in accordance to your wishes.

A little more information from us to you....

Digital Remastered Prints - Every ordered photo will be completely remastered.

Wedding Rehearsal - We ask that you allow us to come and check out the venue to determine our shot angles, white balance and wedding party briefings. This allows us to be prepared for YOUR day! These rehearsal day photo files are yours to keep at no extra charge

Lastly, the Ennis Photography mission statement says that we will always exceed the expectations of our clients. If at any time we have fail to accomplish this goal, please let us know and we'll make it right. Period.

"Save the Date Fee "and Balance Payment - A save the date fee of \$300 is required to secure the date for our services. The final payment is due the day of the wedding. The save the date fee will be applied toward the total invoice. In the rare event of a wedding cancellation, the initial save the date and time are nonrefundable within 30 days of your scheduled wedding. If for any reason your wedding time and date are changed and you reschedule, we will do our best to accommodate those changes; however, any such accommodations are based on our availability for the new time and date.

Photo Start Time - will be determined based upon the time of the ceremony.

*A good photograph is never silent. It speaks loudly or whispers furtively. It laughs or weeps.
It shouts defiantly, a fist punched to the sky. But a good photograph is never mute.*

NEVER!
